Hello Parents,

It's been a great full week! We've gotten some good work done, It's been a busy week with good solid work and learning stations. We've moved forward with fractions and explored

Students have been learning about probabilities playing golf with cards ("Play Nine"), video game creation with Kudo game labs and using X, Y and Z coordinates to locate items, follow directions and learn information to complete a scavenger hunt.

We ended the week with two great experiences. Thursday we had a fun exchange event (not really a party) for Valentines Day. The Leachmans helped and made this low-key event pretty great!! Thanks!!

Today (Friday) Buddy came for a short visit. Just the last 30-40 minutes of the day he was in the room. We continued stations (as best we could) and Buddy wandered and mingled with the students. This was valuable practice for Buddy. We have talked in class about some of the testing and training. (<https://www.tdi-dog.org/HowToJoin.aspx?Page=New+TDI+Test>). I think everyone enjoyed his company and want him back soon!

Next week is a spelling review unit...so NO PRETEST!! Practice all week and be ready for 35 words!
