Hello Parents,

Wow!! A busy and productive week!! We really did accomplish quite a bunch this week!! We brought together the materials and postcards to complete our postcard posters, we completed a full week of core materials including reading comprehension, language arts, math quizzes, math fraction in the math book, handwriting, multiplication pyramids, Google classroom reading, Google classroom Video quiz, Google classroom reading quiz and starting stop motion film creation. Lets just leave it as...WE WERE BUSY!!

Next week will be equally as busy, but with a new variety of work. We will continue the planning and creation of stop motion films...this will be an ongoing activity for the rest of the year....think of it as a creative outlet for your creative kiddos. There will be a variety of challenges in the filmmaking process.

There are several projects coming. As spring is starting to actually take hold...there will be more outside and more fun to be had!!
