Hello Parents,

Four days...felt like six. Busy productive week...really it was a good week.

We made great headway in getting most done with aqueducts, persuasive writing is really getting pretty good, hero and signet rings are coming along and we are getting some great writing done every day!

For four days we probably have actually done nearly five days of good work...not because of my daily work, but because the students have been working hard on multiple projects. This will continue as we add new projects. With only six weeks left, we are going to be busy.

Remind your student that we've already finished one great story (Gansta Granny) and we are nearing the end of another (Holes). Both of these can be AWESOME book projects!!

Spring carnival is this weekend...weather permitting. This is a new approach...a weekend carnival! I hope that this is a great carnival and that everyone has a chance to stop by. Remember that it's also BOGO Book Fair time!!
