<https://mrbrantley.weebly.com/news-blog>

Hello Parents!!

We are almost all done with ILEARN. Makeup tests are Monday...and with just a couple students needing those, then we put behind us the stress and first experience of ILEARN 2023.

Next week we begin May....yes, May already. We have our visit to WLIS on Friday. This is an exciting time as these 3rd grade students get a glimpse of 4th grade and the new building they will be headed to next year! This is a great opportunity for questions, discussions and maybe working out a little anxiety over the big shift next year. Even those with older siblings sometimes need to see and hear for themselves.

We are at that time of the school year when projects and hands-on demonstrations are the focus. My hope is to kick off several projects including 3D printing, lasering, MinecraftEDU and more.

Let's make this last several weeks the best possible!

BOOK PROJECTS: 5 due or Reading Logs completed by May 19. <http://mrbrantley.weebly.com/book-projects.html>
