Hello!

Oh my what a week. ILEARN Math, Popsicle Bridge building, a visit to WLIS and Kinder partners...it was a full and busy week!! I suspect some students may even come home tired and worn out from today...it was a full day!

Next week brings even more fun and exciting times. We are hosting our Rossville Elementary Pen Pals on Wednesday for a lunch picnic and some fun activities. This will be a great experience and I hope a fun time for everyone!! We then go to visit our Pen Pals at their school in Rossville on Friday. This might be a good day to think about packing a "home" lunch for your child. I have coordinated with the lunchroom that we can get paper trays and disposable materials for their lunches, but this might be a fun time for a picnic lunch.

We are headed over for some fun in the morning, but we will return to WLES well before lunch. We are planning for a fun STEM activity and a tour of their school. This will be a good experience and show off some of the differences that students have read about in their pen pal letters.

I wanted to share the next few times that we should wear our Bulldog Shirts...just to give you a chance to wash them and make sure they are ready to go. Friday **5/10/24** for our trip to Rossville Elementary, Friday **5/17/24** for Field Day and Wednesday **5/22/24** for the 3rd grade Bowling Trip and final parade. This is sort of sad, because this is kind of the last list of bog events.

It's getting closer and closer to the end of the year. We are busy and having fun, but also seeing the feelings rise up about this being the final weeks/days at WLES. The goal is to have fun, enjoy our time and make the best memories out of these last weeks. Here's to another busy week done...and the fun times ahead!!

**BOOK PROJECTS: 5 due or Reading Logs completed by March 08 . <http://mrbrantley.weebly.com/book-projects.html>**
