Hello Parents!

This week didn't quite turn out like I had planned, but I do know that it was a productive week. Good work was done and even with my absence I have been able to confirm that even then work did get completed.

We kicked off the week with a spectacular visitor. Mr. Bates is a retired Lieutenant Colonel in the U.S. Army. He shared his 20 years of experience and many amazing pictures. He was kind enough to bring a minivan full of gear to share and discuss. The time he gave for questions was fantastic. He was very patient and kind to every student who had a question. Great guest visitor and an amazing presentation.

The rest of the week was less exciting, but we are moving along with good reading and math every day.

Thursday and Friday may not have gone as planned, but I tracked work online from home and good things still happened.

Get good rest this weekend. Nasty bug are running through all the schools.

BOOK PROJECTS: 5 projects due 2ND grading period. 5 due by DEC. 19th.
