Hello Parents,

Happy winter break and Happy Holidays!!! I hope that everyone slept in this morning and is already enjoying something this winter break!! I wanted to make sure to share one last 1st semester newsletter with a few important items.

I am sharing the link to the Brain Freeze packet PDFs so that anyone that lost or didn't get them home can print and have them to earn high fives. Remember the goal is to complete these packets WELL and neatly. The major focus is the reading log. I really more than anything want to see that this class reads for fun this break. The log can be sections or chapters read each day (about 20-30 minutes minimum) or whole books (if they are short). This can include read alouds, online reading sites like audible, Epic, etc. Hopefully you saw the skyward email from Mrs. Carroll and checked out the link: <https://noveleffect.com/> This looks interesting, it might be worth looking at the free version and test it for a little?!

I am looking forward to seeing everyone returning in 2022. I know we will be sad to be missing one student, but we gain another...so exciting and sad maybe will cancel each other a little.

Stay safe this winter break and let's all get rested up for an exciting and fun second semester. Mr. Richardson and I have been and will be planning several great projects, activities and adventures for this class. I know that spring can be a tough semester with the colder temps and weather limits...but it's also a great time of fewer interruptions and awesome learning!!

Happy Holidays and happy winter break!! We will see you back in 2022!!!

**BOOK PROJECTS: 5 projects due 2nd grading period. 5 due by March 11, 2022. <http://mrbrantley.weebly.com/book-projects.html>**
