

Second and Third Grade Parents,

We have a unique and fun opportunity for a field trip!! One of Mr. Brantley's students (Naomi) and one of Mrs. Vought's students (Eva) are in the play: "Lilly's Purple Plastic Purse" put on by the Civic Theatre of Greater Lafayette. This will be a day that we would've missed Naomi and Eva while they were performing for other classes and students, but as it has worked out there are seats available! We have made reservations and are looking forward to attending! We ALL would love to see them both perform, and show our respect and appreciation for their commitment to the arts.

Below please find the permission slip and cost. We will be leaving Cumberland shortly after 9AM on the 16th and should return prior to second grade lunch/recess.
