Hello Parents,

We are looking at the FINAL WEEK!!! Oh my...it doesn't seem real. Three final days and that concludes the 2019-2020 school year. My goal next week is light workload and fun Zoom meetings every day (M, W, F). Today (Friday was fun....the scavenger hunt was a light spot in my day and I think the students had fun as well. Ms. Brown attended and played along too!! She promises to attend some meetings next week as well!

Next week, specifically Friday May 15th is the end...the absolute end of the year. I will be pulling grades at midnight. The light workload is for those that have assignments to catch up...for those with no catch up work...it's your light week! I will add Flipgrid fun activities for each day, Games and other extras for those looking for something.

Friday brings one of the most exciting events. Teachers school-wide are planning a parade for YOU!!! We are going to drive in a parade...with signs on our cars, and all of us waving. The route is attached to this email (sorry not on the website). We are looking forward to trading our traditional wave the buses off to a car parade

Please remember...ALL WORK DUE MAY 15th!!

Nothing will be graded after Friday at midnight.

I look forward to seeing everyone that is able join the Monday morning Zoom meeting!!

BOOK PROJECTS: 5 projects due 4th and FINAL grading period. 5 due by May 15th.
