May 9th – 1:30PM to 3:00PMish...Taulman Mile
Friday 23 School Year Concludes
Fourth Nine-Week Grading Period Ends
(Classes will dismiss one hour early on this day.)

Hello Parents,

Another week flies by!!! I can't believe we are already down to three weeks!! We still have a couple last projects...including the canon launch of some student designed projectiles. We have completed the majority of the books for our Young Author project. These have been completed almost entirely in class (some students have typed via Google Drive from home).

We still have a little bit left to complete with ISTEP. The class has been pretty calm and easy going about this round of testing. Please try to help your child get decent rest this weekend and early into next week. We should have everything wrapped up and done by Friday (unless there are students needing to makeup multiple sessions).

I hope that everyone is beginning to enjoy Spring and even some of the nice nights at sporting events. This is truly one of my favorite times of the year with the start to the baseball / softball season. This does however sometimes put us all in late from busy games and fun times after the games. Please try to help and be the tough parent at least through the middle of next week.

I hope that we will have some nice weather next week and that we will get to enjoy the last weeks together. With so little time I can pretty safely say that we will be busy.

PARENTS...I have heard from **five wonderful parents interested in chaperoning** the Caterpillar field trip. This is a perfect number. So as much as I appreciate the additional offers for help....this is the closing number. We will leave the school at 9AM Friday morning after taking attendance and lunch count. We will be on site at Caterpillar from approximately 9:30-11:00. We will return and should be back in the building no later than 11:30AM. Lunch may be at a slightly different time due to the Taulman Mile run in the afternoon.

Be safe and enjoy your weekend!!!
