MAY 2014

Tuesday 20th – End of Year bowling trip

Friday 23 School Year Concludes

Fourth Nine-Week Grading Period Ends

(Classes will dismiss one hour early on this day.)

Hi Parents!!!

It's the FINAL COUNTDOWN!!!! (Brief Europe flashback...) With what I hope to be a week of respectable weather...we have much to do. Today's Gutter Grand Prix was quite the spectacle...not the greatest spectacle, but a spectacle nonetheless. See the PDF files with the racer information cards...the cars and their stories are quite interesting. They are worth the read for the humor in them.

Next week I hope to complete a few more projects...and bring this year to a grand finale. To say that I wish to send this year off with a BANG...would be a bit cliché...but somewhat well played. It's hard to end a school year...harder yet to end one already filled with fun exciting experiences...but as usual, I shall do my very best.

Tuesday will be a great day. As we have done for several years...we shall embark on the annual 3rd grade bowling trip. The entire 3rd grade and teachers will enjoy a couple hours of bowling and general socializing...a fun end of year send off...

Friday will be a little odd...it will be a day of fun and hopefully a positive conclusion. The schedule will be an odd piece for the day...while we will be at school through lunch...the day will conclude at 2:15. We will have lunch, but then just a short run to the end. Tradition is that 3rd graders leave the building a short bit before the other grades. They are given a big departure through hallways lined with the other grade levels...a grand send off. Then as the busses and cars are loaded teachers will line the walks and wave off the busses as we say goodbye to 2013-2014.

Be safe and enjoy your weekend!!!
